

June 25<sup>th</sup>, 2018

**For Immediate Release**

**Ron Heal: the Newest Member on the Help Fill A Dream Foundation's Board of Directors**

The Help Fill A Dream Foundation welcomed its newest board member Ron Heal during their AGM on June 5<sup>th</sup>, 2018. As a life long resident of Victoria, Ron is very passionate about giving back to our community through extensive volunteer work from coaching his children's sports teams to sitting on the Board of Directors of the Greater Victoria Savings Credit Union Legacy Foundation. He has also worked with organizations that are strong supporters of our communities including senior executive positions with Peninsula Co-op and is presently working for Monk Office. He is very excited to join the Board of Directors of the Help Fill A Dream Foundation and we are very excited to have him on board.

Since 1982 Help Fill A Dream Foundation has been supporting families from Vancouver Island and the Gulf Islands whose lives have suddenly changed due to their child's diagnosis with a medical condition or severe health challenge. Support comes in all sorts of ways. When families are in survival mode the Help Fill A Dream Foundation Bear Essentials program provides a lifeline. When children with life-threatening disease and conditions have been through their treatments, the Help Fill A Dream Foundation fulfills that child's Dream which will often be a trip to place they never imagined they would be able to go, or an experience they had long thought about but never believed could happen.

In the past year Help Fill A Dream has raised over three quarters of a million dollars, and over 300 families were supported. There is a good chance that someone you know has had their life touched by Help Fill A Dream.
